# ABOUT US

Eviz family founded Evizler & Efor Confectionery in 1994 which have become the primary brands for the family. In order to provide quality service at the best value, all these brands are gathered under the AHS Group. The group has been trading in domestic & export markets and has been increasing its reputation which helped the company to be one of the leading in the industry.

The vast experience has given an advantage to Eviz family, therefore, invested in its own brand Eviza. The benefit of vast experience in the sector helps Eviza to increase its market share. The main products for the brand is Biscuits, chocolates, cakes, jellies, and other sorts of confectionery products. Our aim is to introduce all the confectionery products under one brand. Beside the confectionery sectors. AHS Group has investments in energy and the textile sectors to attract its customers and satisfy the shareholders.
